**Type of wine:** Rubicone Syrah Rosato IGT

**Grape variety:** Syrah

**Harvest:** last ten days of August

**Yield:** 7.000 kg/ha

**Vinification:** The whole, unstemmed grapes are loaded into the press and after 12 hours of cryomaceration to allow the extraction of colour and aromas, followed by a soft pressing and a vinification of the must in

white wine in steel for about two weeks at a controlled temperature

**Ageing:** in steel for 4 months in order to keep the characteristics of freshness unaltered

**Tasting Notes:** Rosé with a marine and Mediterranean profile.

Intense bright pink color with orange hues. It is expressed on the nose with decisive notes of rose petals, fruity hints of strawberry, pomegranate and raspberry. The mouth is intense and confirms the aromatic bouquet and the strawberry notes, with a touch of candied fruit and a delicate spicy finish typical of Syrah which attenuates its flavour. We are faced with a harmonious balance between freshness roundness and finesse of the aromas. On the finish it maintains the initial juiciness and vitality
